

*what every bride should know...*

The coordinators at Acqua will help create the perfect salon and spa experience for you and your wedding party. Our focus is to create a nurturing environment where you can relax and enjoy your special day.

- To eliminate the design team from being rushed, please arrive at least 10 minutes prior to the scheduled services so that the participants can begin their service promptly which allows the bridal party to meet their departure time. An Updo is truly a piece of art. It takes time and thought.
- We suggest that you wear a button-up shirt to ease in removing the shirt without disturbing the hair. hair styles are best when hair is washed the night prior to the appointment. Please use light styling aids, if necessary.
- Do not flat-iron your hair if you plan to have a curly hairstyle.
- It is a good idea to bring your camera to your trial run so that you can make sure that you can take a photo and bring it with you on the wedding day.
- Have a professional makeup artist apply your bridal photography makeup - it's worth it.
- Purchase the shade of lipstick used in your bridal makeup application for touchups. Cover your lips completely with liner and fill in the lip color. This will decrease the number of reapplications.
- Waterproof mascara should be provided by the bride.
- Waxing is recommended two or three days prior to the event in order to eliminate redness and swelling. If you have sensitive skin, schedule your services at least five days prior to the wedding. Waxing rather than shaving allows the bride to have less worry during the honeymoon.
- Schedule highlights, color and perms at least two weeks prior just in cast treatment is not what you expected. This will allow the colorist adequate time to make any needed changes.

*Gift Cards make great bridesmaids gifts. We can coordinate a spa day for all of you to share the experience.*
